Subject: Re: Addresses you will need

Mr. Cloutier,

I received a response from a paralegal from NREMT. While there is a stern confidentiality warning on the email, I think I'm permitted to share the intent of the message with you.

Two letters have been sent via certified mail, to Aaron Dugan and April Frost. They will have 30 days to respond. No action from them triggers revocation of their certs on the 31st day after the date of the letter.

Jay Boucher
