Hello, Jay,

Thank you for bringing the issue regarding the apparent falsification of training hours to our attention. Attached please find two letters that I will be sending today via certified mail. The first is to Aaron Dugan and the second is to April Dugan Frost. They have 30 days from today to respond. Obviously, it is not our intent to revoke uninvolved applicants who submitted accurate information to us but I did not want to tip our hand fully, to allow them an opportunity to "come clean" and give us correct information. If that occurs, we will compare it to the information they submitted on their recent applications and take appropriate measures where the documentation does not match.

If they fail to respond entirely, I will revoke both of their certifications 31 days from the date of my letter. If that should have to happen, I will contact you so that we can discuss appropriate next steps as I do not want to do anything to jeopardize the work of your agency.

If you have any questions or concerns at any time, please feel free to contact me. Email is the easiest way to reach me quickly.

Best regards,

Carolyn Waring
