Meeting called to order at 6:34 by Aaron Dugan.

Kathy moved to accept the Minutes as presented. Sean seconded. Motion carried unanimously.

Training Officer Report:

June training by Jason Osborne.

July training by Jason Osborne. Topics to be determined.

Supply Officer Report:

Kathy will order Narcan. Training required for EMTs still unknown. Kathy reported on recent tourniquet training she had attended and will be ordering two for GVA. Aaron suggested buying a large quantity to get a discount. John reported a delay finding an IV warmers solution. Kathy also reported that the saline shortage will not effect GVA.

Old Business.

Reese asked to have the (already approved) minutes reflect that his reason for not driving is his age, not his willingness.

April asked for input regarding involving Danbury responders on GVA calls and transports.

The ambulance will be out of service at some point during the week of June 2.

Radios will be upgraded on May 20 to accommodate Danbury (Lakes Region) changes.

Tom passed his practical examination.

Kathy reminded all that DHMC has CEU classes every 2nd Tuesday of the month. Morning and evening sessions are available.

Aaron thanked the Auxiliary for recognizing EMS Week and for providing refreshments for this meeting. April read a card from the Auxiliary thanking GVA for their service.

Steve Darrow presented a Certificate of Appreciation to the department and had a prepared statement. He also had individual certificates for the department members.

Aaron presented Run Pins. April received her 100, Kathy 500, and John 1000.

Steve resumed his presentation acknowledging previous Captain Dotti Ernst for her 8 years of service at the helm.

The meeting was adjourned at 7:02.

Respectfully submitted,

Jay Boucher
